Revue de presse

Jane Ray's exquisitely detailed illustrations, highlighted in gold and silver, and her decorative page borders make this a beautiful edition of a well-loved story. (*Booktrusted News*) Présentation de l'éditeur

The classic fairytale about the princesses who like to have fun. When their father finds out they've been sneaking out to go dancing, he's furious. Dancing is banned! he declares. But will that stop them? Part of the Usborne Reading Programme developed with reading experts at the University of Roehampton. Audio CD includes a dramatic listen-along recording with music and sound effects, followed by a read-along version with prompts for page turns. Biographie de l'auteur

Jacob and Wilhelm Grimm were born in Hanau, near Frankfurt, Germany, in 1785 and 1786 respectively. The Brothers Grimm collected fairy tales, which until then had mostly been passed on orally, and captured them in writing for the first time as a collection. One of their most important sources was the storyteller Dorothea Viehmann. The first volume of their Children's and Household Tales was published just before Christmas 1812. Their fairy tales have appeared in many languages since and in a multitude of editions. In 2005 the Grimm's' fairy tales were made part of UNESCO's Memory of the World Register for the preservation of cultural documents.
