Présentation de l'éditeur

Ideal for elementary or pre-intermediate learners of English looking to improve and practise their English. The book is filled with useful vocabulary that is carefully graded and easy to understand, it also comes with audio, so that you can listen to the story at the same time as reading. This famous play by William Shakespeare is one of the finest in the English language. Why does Hamlet, the young Prince of Denmark, look so sad? Why does he often say strange things? His family and friends are worried about him. Perhaps he is mad! But Hamlet thinks that he has discovered a terrible secret about a recent crime in his family. Now he has no time for Ophelia, the sweet girl who loves him, or his friends, who were at school with him. He sits alone, and thinks, and plans. What will he decide to do? Will he ever be happy again?
