Présentation de l'éditeur

This lavish, large-format wall calendar features the artwork of best-selling international author, artist and book illustrator, Jackie Morris. Taken from a selection of her globally best-selling books, loved by children and adults alike. 12 full colour images accompanied by text detailing the composition of each piece. Each calendar features a punched hole for easy display, space to write notes on every day of 2016, and comes cello-wrapped. *Biographie de l'auteur*

Jackie Morris is the author of some books, the illustrator of more and now and again takes photographs.

When someone commented once that your camera takes very good pictures , she responded, yes, and I have a pencil that draws quite well and some brushes that are quite good at painting. She has lived in the same small house beside the sea on the St Davids Peninsula since 1992 when she visited from Bath for a weekend and fell in love with the wild beauty of the coastline. She loves cats, dogs and wild things.
