Created for the professional Boeing 737 (300-500 series) airline pilot, this pilot handbook is actually a condensed training manual and is designed to assist the pilot candidate in preparation for the simulator check-ride. Written in a style that is both interesting and informative; it is filled with graphics and easy to understand descriptive text. While the material in it is specifically directed at the professional airline pilot; it has proven to also very be very popular with flight simmers and other interested aviation aficionados.
